

## Cleaning Policy for Earth Moving Equipment

### 1. Overview

To ensure the quality and longevity of our rental equipment, all machinery and tools must be returned in a clean and well-maintained condition. This policy outlines customer responsibilities, cleaning expectations, and deposit requirements.

### 2. Cleaning Deposit

- A **cleaning deposit of \$100** will be charged at the time of rental.
- This deposit is refundable upon return of the equipment in clean condition.
- If the equipment is returned excessively dirty, requiring additional cleaning beyond standard maintenance, the deposit will be used to cover cleaning costs. Any additional cleaning fees exceeding the deposit will be charged to the customer.

### 3. Customer Responsibilities

Customers are responsible for the general cleanliness of rental equipment during and after use. This includes:

- **Removing dirt, mud, and debris** from equipment before return.
- **Draining excess water or fluids** from non-sealed compartments.
- **Washing off concrete, paint, or other adhered substances** before they harden.
- **Cleaning out cabs and operator compartments**, including removing trash, food, and personal belongings.

### 4. Unacceptable Conditions & Additional Fees

Equipment returned in any of the following conditions may result in additional cleaning charges:

- **Excessive mud, grease, or oil buildup.**
- **Concrete or asphalt dried onto surfaces.**
- **Interior cabs with food, trash, or personal waste left behind.**
- **Chemical or hazardous material contamination.**

If special cleaning procedures are required (e.g., chemical treatment, deep cleaning, or biohazard disposal), the customer will be responsible for the full cost of cleaning.

## **5. Inspection & Refund Process**

- Upon return, equipment will be inspected for cleanliness.
- If it meets our cleanliness standards, the cleaning deposit will be fully refunded.
- If additional cleaning is needed, the deposit will be applied to the cost, and any remaining balance will be refunded.
- If cleaning costs exceed the deposit, the customer will be billed for the remaining amount.

## **6. Agreement**

By renting equipment from Taylor Rental, the customer agrees to abide by this cleaning policy. Failure to comply may result in forfeiture of the deposit and additional cleaning charges.
